### Concert: The Story of Swing

Please join Springhouse on Sunday, May 21 at 2:00 p.m. as Jack Craig Presents "The Story of Swing - Mid 1920's Bands."

From 1910 into the 1950's, dance bands left an amazing footprint on American culture. During the 'swing era', well-known band leaders developed their own theme or signature songs and hired singers who emerged as superstars in their own right. This program covers prominent bands and singers of the mid 1920's and features Guy Lombardo, Kay Kyser, Ben Pollack, Lawrence Welk, Tony Martin, Marilyn Maxwell, Ella Fitzgerald ....along with several more.

### Employee of the Quarter

The definition of dependability and caring is Mirielle Goodall. Her many years of dedication to the job as care partner and constant willingness to help others are only a few of the reasons we honor Mirielle this quarter.

She welcomes the opportunity to learn as well as going above and beyond to complete tasks. An example of her generosity is when Mirielle recently purchased a cell phone charger for a resident to keep his phone charged, allowing him to maintain his independence and assuring that his phone is always charged when he needs it. In addition, she was the first volunteer to spend the night at Springhouse during our last major snow storm thus making sure we had care partners here to assist the residents.

Mirielle insures our residents' specific and individualized needs are met. She assists the residents with their personal goals and helps them maintain their quality of life. She is committed to their safety and well-being.

Springhouse, our residents and families thank you for your patience, compassion and excellent care. Congratulations Mirielle!
